

HRHS Science Procedures

1. Give respect if you expect it from others.
2. Arrive on time with all necessary supplies, ready to begin bell work.
3. If you have missed a day, check the homework folders/binders; do not ask the teacher first.
4. Homework is expected to be done and handed in on time. You will be required to complete a "student responsibility card" if not finished consequences will follow.
5. No cell phones in class, or they will be taken.
 6. No food or drink in the lab.
7. The bell does not end the class; the teacher will let you know when class is over.
